Ezekiel 11:5 NKJ

[5]Then the Spirit of the Lord fell upon me, and said to me, "Speak! 'Thus says the Lord: "Thus you have said, O house of Israel; for I know the things that come into your mind".

God not only knows all things but He also understands all things because He created everything (including you).

So it is senseless to try and fool God or manipulate Him.

HEBREWS 4:13 NLT 13 Nothing in all creation is hidden from God.

Everything is naked and exposed before his eyes, and he is the one to whom we are accountable.

God knows how to make your body healthy and strong.

God knows how you can live in financial freedom and abundance.

God knows how to make your family be like Heaven on earth.

God knows how to solve every problem you will ever face.

Whatever you need, God knows how to get it. Whatever your question, God knows the answer.

MATTHEW 6:4 NLT 4 Give your gifts in secret, and your Father, who knows all secrets, will reward you.

God knows everything you don't know. And He is willing to share His knowledge with you. But... it will not just happen. You have to desire it. You have to seek it.

God is not in the habit of forcing Himself, or His ideas, on people. He gave us freedom to choose. Sadly, many of us have been making a lot of wrong choices.

You may wonder, "How do I get God to tell me what He knows?"

There is no formula for making God tell you something. God is a Person, not a machine. What you need is to develop a relationship with God -- to get to know Him.

All relationships are built on communication. You need to spend time listening to what God says in His Word. You need to talk to God. You need to ask Him questions. You need to draw near to God. This is God's desire because He loves you, and loves to spend time with you.

You need to esteem your relationship with God and spending time focused on Him as more important than other things.

Prayer: O God, give me the grace to develop good relationship with You and to communicate with You in Your word and in my prayers to have your knowledge in Jesus name, AMEN!
