MORNING DEW THE HAND OF GOD IN WEALTH CREATION.

Pastor A.S.O Olaleye

15th August, 2025

The hand of God in wealth creation is a biblical concept that emphasizes God's role in empowering individuals to generate wealth.

According to Deuteronomy 8:18, "But thou shalt remember the Lord thy God: for it is he that giveth thee power to get wealth."

This verse highlights God's sovereignty in wealth creation, suggesting that He provides the ability and resources necessary for individuals to produce wealth.

Key Principles of Wealth Creation

1. ***Diligent Labor***: Hard work and diligence are essential for wealth creation, as emphasized in Proverbs 10:4, "Lazy hands make for poverty, but diligent hands bring wealth."
2. ***Wisdom and Financial Literacy***: Acquiring wisdom and financial literacy are crucial for making informed decisions about wealth creation, such as investing, saving, and budgeting.
3. ***Generosity and Tithing***:
Giving and tithing are seen as ways to multiply resources and demonstrate trust in God's provision, as stated in Matthew 25:23, "You have been faithful with a few things; I will put you in charge of many things."
4. ***Stewardship***: Wealthy individuals are seen as stewards of God's resources, entrusted to use them wisely and for His purposes.

Applying Biblical Principles to Wealth Creation

- ***Seek Divine Guidance***:

Proverbs 3:5-6

[5] Trust in the Lord with all your heart, And lean not on your own understanding;

[6] In all your ways acknowledge Him, And He shall direct your paths.

Seek God's guidance and wisdom in financial decisions.

- ***Operate with Integrity***: Conduct business and financial dealings with integrity and honesty.

- ***Practice Faithfulness***: Demonstrate faithfulness in managing resources and finances.

- ***Cultivate a Generous Spirit***: Give freely and joyfully, trusting in God's provision and abundance ^{1 2}.
